She received royalties and holds intellectual property rights for the SKILL program.	Dr. Sandra Gillam has no relevant non-financial relationships to disclose.
Gregory L. Lof	PhD, CCC-SLP, FASHA	Therapy for Speech Sound Disorders: What Works and Why NSOME Don't Work	Dr. Lof will receive an honorarium for speaking at the 2018 OSHA Conference.	Dr. Lof has no relevant non-financial relationships to disclose.
Kimberly Frey	PhD, CCC-SLP, CBIS	Confused about Confusion in Acute TBI Rehabilitation	Dr. Frey will receive an honorarium for speaking at the 2018 OSHA Conference.	Dr. Frey has no relevant non-financial relationships to disclose.
Jo Puntil	MS, CCC-SLP, BCS-S	Acute Care SLP: Our Role in an Ever-Changing Healthcare Environment	Ms. Puntil will receive an honorarium for speaking at the 2018 OSHA Conference.	Ms. Puntil is a member of the ASHA Board of Directors.
Anyasha Aragon		Regulating Rate of Eating in Patients with Dysphagia: The Effectiveness of Smartforks	Ms. Aragon has no relevant financial relationships to disclose.	Ms. Aragon has no relevant non-financial relationships to disclose.
Meredith Meyer	BS	Regulating Rate of Eating in Patients with Dysphagia: The Effectiveness of Smartforks	Ms. Meyer has no relevant financial relationships to disclose.	Ms. Meyer has no relevant non-financial relationships to disclose.
Samantha Shune	PhD	Regulating Rate of Eating in Patients with Dysphagia: The Effectiveness of Smartforks	Dr. Shune is employed by and receives compensation from the University of Oregon.	Dr. Shune has no relevant non-financial relationships to disclose.
Rachel Atkinson		Implicit and Explicit Learning of Visual and Sound Categories by Preschoolers With and Without Developmental Language Disorder	Ms. Atkinson has no relevant financial relationships to disclose.	Ms. Atkinson has no relevant non-financial relationships to disclose.
Lauren Casey		Implicit and Explicit Learning of Visual and Sound Categories by Preschoolers With and Without Developmental Language Disorder	Ms. Casey has no relevant financial relationships to disclose.	Ms. Casey has no relevant non-financial relationships to disclose.
Eliza Minculescu		Implicit and Explicit Learning of Visual and Sound Categories by Preschoolers With and Without Developmental Language Disorder	Ms. Minculescu has no relevant financial relationships to disclose.	Ms. Minculescu has no relevant non-financial relationships to disclose.
Carolyn Quam	PhD	Implicit and Explicit Learning of Visual and Sound Categories by Preschoolers With and Without Developmental Language Disorder	Dr. Quam has no relevant financial relationships to disclose.	Dr. Quam has no relevant non-financial relationships to disclose.
Wanchi Yu		Implicit and Explicit Learning of Visual and Sound Categories by Preschoolers With and Without Developmental Language Disorder	Wanchi Yu has no relevant financial relationships to disclose.	Wanchi Yu has no relevant non-financial relationships to disclose.
Brandi Romanko		Implicit and Explicit Learning of Visual and Sound Categories by Preschoolers With and Without Developmental Language Disorder	Ms. Romanko has no relevant financial relationships to disclose.	Ms. Romanko has no relevant non-financial relationships to disclose.
Anna Beaty	BA	Bilingual Stuttering Workbook: Un Guia Comprehensivo para el Tratamiento Bilingüe	Ms. Beaty has no relevant financial relationships to disclose.	Ms. Beaty has no relevant non-financial relationships to disclose.

Financial Disclosures
2018 OSHA Conference

Presenter Name	Title	Session Title	Financial	Non Financial
Hanna Holton	BA	Bilingual Stuttering Workbook: Un Guia Comprensivo para el Tratamiento Bilingüe	Ms. Holton has no relevant financial relationships to disclose.	Ms. Holton has no relevant non-financial relationships to disclose.
Suelma Rodriguez		Bilingual Stuttering Workbook: Un Guia Comprensivo para el Tratamiento Bilingüe	Ms. Rodriguez has no relevant financial relationships to disclose.	Ms. Rodriguez has no relevant non-financial relationships to disclose.
Megann McGill	PhD, CCC-SLP	Bilingual Stuttering Workbook: Un Guia Comprensivo para el Tratamiento Bilingüe	Dr. McGill is employed by and receives compensation from Portland State University.	Dr. McGill has no relevant non-financial relationships to disclose.
Alla Bess	BA	CHAT Retreat: Addressing Affective and Cognitive Components of Stuttering with Adults	Ms. Bess has no relevant financial relationships to disclose.	Ms. Bess has no relevant non-financial relationships to disclose.
Christy Bisconer	BS	CHAT Retreat: Addressing Affective and Cognitive Components of Stuttering with Adults	Ms. Bisconer has no relevant financial relationships to disclose.	Ms. Bisconer has no relevant non-financial relationships to disclose.
Denise Nguyen	BA	CHAT Retreat: Addressing Affective and Cognitive Components of Stuttering with Adults	Ms. Nguyen has no relevant financial relationships to disclose.	Ms. Nguyen has no relevant non-financial relationships to disclose.
Lindsey Taylor	BS	CHAT Retreat: Addressing Affective and Cognitive Components of Stuttering with Adults	Ms. Taylor has no relevant financial relationships to disclose.	Ms. Taylor has no relevant non-financial relationships to disclose.
Megann McGill	PhD, CCC-SLP	CHAT Retreat: Addressing Affective and Cognitive Components of Stuttering with Adults	Dr. McGill is employed by and receives compensation from Portland State University.	Dr. McGill has no relevant non-financial relationships to disclose.
Rachel Brooks	BS	TVF Kinematic Measurement – A Scoping Review	Ms. Brooks has no relevant financial relationships to disclose.	Ms. Brooks has no relevant non-financial relationships to disclose.
Deanna Britton	PhD, CCC-SLP, BC-ANCDs	TVF Kinematic Measurement – A Scoping Review	Dr. Britton has a financial relationship with Medbridge Education, Plural Publishing, and Pro-ed, Inc.	Dr. Britton has no relevant non-financial relationships to disclose.
Laura Cullen	BA	Individual and Group Telepractice Treatment of Stuttering	Ms. Cullen is co-recipient of a grant from Portland State University to conduct research on telepractice.	Ms. Cullen has no relevant non-financial relationships to disclose.
Lindsey Newman	BS	Individual and Group Telepractice Treatment of Stuttering	Ms. Newman is co-recipient of a grant from Portland State University to conduct research on telepractice.	Ms. Newman has no relevant non-financial relationships to disclose.
Megann McGill	PhD, CCC-SLP	Individual and Group Telepractice Treatment of Stuttering	Dr. McGill is employed by and receives compensation from Portland State University. She is co-recipient of a grant from the Oregon Scottish Rite of Freemasonry.	Dr. McGill has no relevant non-financial relationships to disclose.
Kelsey Decker	MS, CF-SLP	Language and Play Everyday: Enhancing Early Intervention Provider Knowledge and Use of Naturalistic Communication Interventions	Ms. Decker has no relevant financial relationships to disclose.	Ms. Decker has no relevant non-financial relationships to disclose.
Heather Moore	PhD, CCC-SLP	Language and Play Everyday: Enhancing Early Intervention Provider Knowledge and Use of Naturalistic Communication Interventions	Dr. Moore has no relevant financial relationships to disclose.	Dr. Moore has no relevant non-financial relationships to disclose.
Sarah Elkinton	AOS	Effects of English Dominance on Tone Processing in Mandarin-English Bilingual Speakers	Ms. Elkinton is employed by and receives compensation from Portland State University.	Ms. Elkinton is the treasurer of the PSU NSSLHA chapter.
Diana Yuen	BA	Effects of English Dominance on Tone Processing in Mandarin-English Bilingual Speakers	Ms. Yuen is employed by and receives compensation from Portland State University.	Ms Yuen has no relevant non-financial relationships to disclose.
Carolyn Quam	PhD	Effects of English Dominance on Tone Processing in Mandarin-English Bilingual Speakers	Dr. Quam has no relevant financial relationships to disclose.	Dr. Quam has no relevant non-financial relationships to disclose.
Britt Hazlett	BS	Gender Bender: The N400	Ms. Hazlett has no relevant financial relationships to disclose.	Ms. Hazlett has no relevant non-financial relationships to disclose.
Sarah Key-DeLyria	PhD, CCC-SLP	Gender Bender: The N400	Ms. Key-Delyria has no relevant financial relationships to disclose.	Ms. Key-Delyria has no relevant non-financial relationships to disclose.
Tiffany Hsieh	BA	Telepractice Assessment of School-Age Stuttering	Ms. Hsieh is co-recipient of a research grant from the Oregon Scottish Rite of Freemasonry.	Ms. Hsieh has no relevant non-financial relationships to disclose.
Emily Brant	BA	Telepractice Assessment of School-Age Stuttering	Ms. Brant is co-recipient of a research grant from the Oregon Scottish Rite of Freemasonry.	Ms. Brant has no relevant non-financial relationships to disclose.
Megann McGill	PhD, CCC-SLP	Telepractice Assessment of School-Age Stuttering	Dr. McGill is employed by and receives compensation from Portland State University. She is co-recipient of a research grant from the Oregon Scottish Rite of Freemasonry.	Dr. McGill has no relevant non-financial relationships to disclose.
Beth Kirkpatrick		EBP Tools: Impact of Education on SLP Behavior	Ms. Kirkpatrick has no relevant financial relationships to disclose.	Ms. Kirkpatrick has no relevant non-financial relationships to disclose.

Financial Disclosures
2018 OSHA Conference

Presenter Name	Title	Session Title	Financial	Non Financial
Amy Donaldson	PhD, CCC-SLP	EBP Tools: Impact of Education on SLP Behavior	Dr. Donaldson is employed by and receives compensation from Portland State University.	Dr. Donaldson has no relevant non-financial relationships to disclose.
Hillary Landers		Cross-Language Transfer in Intervention with Bilingual Adults Who Stutter: Two Case Studies	Ms. Landers has no relevant financial relationships to disclose.	Ms. Landers has no relevant non-financial relationships to disclose.
Marlen Castellanos		Cross-Language Transfer in Intervention with Bilingual Adults Who Stutter: Two Case Studies	Ms. Castellanos is co-recipient of a research grant from the Oregon Scottish Rite of Freemasonry.	Ms. Castellanos has no relevant non-financial relationships to disclose.
Megann McGill	PhD, CCC-SLP	Cross-Language Transfer in Intervention with Bilingual Adults Who Stutter: Two Case Studies	Dr. McGill is employed by and receives compensation from Portland State University. She the recipient of a faculty development grant from Portland State University	Dr. McGill has no relevant non-financial relationships to disclose.
Amanda Mason	MS, CCC-SLP	AAC Expansion Program: A Collaborative Model to Reach Underserved Populations with Assistive Technology	Ms. Mason is employed by and receives compensation from the ALS Association of Oregon and SW Washington.	Ms. Mason has no relevant non-financial relationships to disclose.
Mary Rebar		AAC Expansion Program: A Collaborative Model to Reach Underserved Populations with Assistive Technology	Ms. Rebar is employed by and receives compensation from the ALS Association of Oregon and SW Washington.	Ms. Rebar has no relevant non-financial relationships to disclose.
Emily D. Quinn	MS, CCC-SLP	Delivering Enhanced Milieu Teaching Via Telepractice to Toddlers with Language Impairments	Ms. Quinn is the receipt of an internal grant from Vanderbilt University.	Ms. Quinn has no relevant non-financial relationships to disclose.
Ann Kaiser	PhD	Delivering Enhanced Milieu Teaching Via Telepractice to Toddlers with Language Impairments	Dr. Kaiser is employed by and receives compensation from Vanderbilt University.	Dr. Kaiser has no relevant non-financial relationships to disclose.
Ariel Rice	BS	Viva Mexico! The Impact of a Short-Term Study Abroad Program on SLP Students' Cultural Competence	Ms. Rice was employed by and received compensation from the University of Oregon, Winter - Fall 2017.	Ms. Rice participated in the study abroad program that is the target of the presentation; however, her personal data was not included in the study.
Lauren Cycyk	PhD, CCC-SLP	Viva Mexico! The Impact of a Short-Term Study Abroad Program on SLP Students' Cultural Competence	Dr. Cycyk is employed by and receives compensation from the University of Oregon, which also provided the grant for this study. She is also a named investigator/consultant in grants managed by the organization	Dr. Cycyk has no relevant non-financial relationships to disclose.
Stephanie De Anda	PhD, CCC-SLP	Viva Mexico! The Impact of a Short-Term Study Abroad Program on SLP Students' Cultural Competence	Ms. De Anda is employed by and receives compensation from the University of Oregon, which also provided the grant for this study. She is also a named investigator/consultant in grants managed by the organization.	Ms. De Anda has no relevant non-financial relationships to disclose.
Hannah Sanford-Keller	MS, CCC-SLP	International Cleft Care: Speech Pathology Services in Lambayeque, Peru	Ms. Sanford-Keller has no relevant financial relationships to disclose.	Ms. Sanford-Keller has no relevant non-financial relationships to disclose.
Breanne Thornton		Using Reflective Journals to Enhance Clinical Skills Development	Ms. Thornton has no relevant financial relationships to disclose.	Ms. Thornton has no relevant non-financial relationships to disclose.
Amanda Stead	PhD, CCC-SLP	Using Reflective Journals to Enhance Clinical Skills Development	Dr. Stead has no relevant financial relationships to disclose.	Dr. Stead has no relevant non-financial relationships to disclose.
Marcia Frost	MS, CCC-SLP	Using Reflective Journals to Enhance Clinical Skills Development	Ms. Frost has no relevant financial relationships to disclose.	Ms. Frost has no relevant non-financial relationships to disclose.
Robyn Walker	MS, CCC-SLP	Comparing Thickness of Liquids in a Hospital Setting Using the IDDSI Guidelines	Ms. Walker has no relevant financial relationships to disclose.	Ms. Walker has no relevant non-financial relationships to disclose.
Andrea Canning	MEd, CCC-SLP	Comparing Thickness of Liquids in a Hospital Setting Using the IDDSI Guidelines	Ms. Canning has no relevant financial relationships to disclose.	Ms. Canning has no relevant non-financial relationships to disclose.
Allison March	MS, CCC-SLP	Comparing Thickness of Liquids in a Hospital Setting Using the IDDSI Guidelines	Ms. March has no relevant financial relationships to disclose.	Ms. March has no relevant non-financial relationships to disclose.
Andrew Palmer	PhD, CCC-SLP	Comparing Thickness of Liquids in a Hospital Setting Using the IDDSI Guidelines	Dr. Palmer has no relevant financial relationships to disclose.	Dr. Palmer has no relevant non-financial relationships to disclose.
Kathryn Waller	BA	Interprofessional Student Learning at a Service-Learning Camp for People with Aphasia	Ms. Waller has no relevant financial relationships to disclose.	Ms. Waller has no relevant non-financial relationships to disclose.
Amanda Stead	PhD, CCC-SLP	Interprofessional Student Learning at a Service-Learning Camp for People with Aphasia	Dr. Stead has no relevant financial relationships to disclose.	Dr. Stead has no relevant non-financial relationships to disclose.
Anne Willis	PsyD	Connecting Psychology and Speech Language Pathology Graduate Programs in a Community Based Research Project at Pacific University	Dr. Willis is employed by and receives compensation from Pacific University.	Dr. Willis has no relevant non-financial relationships to disclose.
Melissa Fryer	MA, CCC-SLP	Connecting Psychology and Speech Language Pathology Graduate Programs in a Community Based Research Project at Pacific University	Ms. Fryer is employed by and receives compensation from Pacific University.	Ms. Fryer is a member of the OSHA Board of Directors.
Nhan-Ai Nguyen		Connecting Psychology and Speech Language Pathology Graduate Programs in a Community Based Research Project at Pacific University	Nhan-Ai Nguyen has no relevant financial relationships to disclose.	Nhan-Ai Nguyen has no relevant non-financial relationships to disclose.

2018 OSHA Conference

Presenter Name	Title	Session Title	Financial	Non Financial
Kristi Atkins	MA, CCC-SLP	Interprofessional Practice: The Key to Positive Outcomes for Children with Hearing Loss	Ms. Atkins is employed by and receives compensation from Oregon Health & Science University.	Ms. Atkins has no relevant non-financial relationships to disclose.
Shelby Atwill	AuD	Interprofessional Practice: The Key to Positive Outcomes for Children with Hearing Loss	Ms. Atwill is employed by and receives compensation from the Tucker Maxon School and the Griffin Center for Inspired Instruction.	Ms. Atwill has no relevant non-financial relationships to disclose.
Heather Durham	AuD	Interprofessional Practice: The Key to Positive Outcomes for Children with Hearing Loss	Dr. Durham has no relevant financial relationships to disclose.	Dr. Durham has no relevant non-financial relationships to disclose.
Anne Heassler	AuD, CCC-A, CH-AP	Interprofessional Practice: The Key to Positive Outcomes for Children with Hearing Loss	Dr. Heassler is employed by and receives compensation from the Pacific University School of Audiology.	Dr. Heassler has no relevant non-financial relationships to disclose.
Claire Leake	MS, CCC-SLP	Interprofessional Practice: The Key to Positive Outcomes for Children with Hearing Loss	Ms. Leake is employed by and receives compensation from the Tucker Maxon School.	Ms. Leake has no relevant non-financial relationships to disclose.
Denise Ernst	PhD	Facilitating Behavior Change	Dr. Ernst will receive an honorarium for speaking at the 2018 OSHA Conference.	Dr. Ernst owns a professional business as a Motivational Interviewing trainer.
Jill Dolata	PhD, CCC-SLP	Differential Autism Diagnosis: The Role of an SLP in Evaluating Social Communication Differences	Dr. Dolata is employed by and receives compensation from Oregon Health & Science University.	Dr. Dolata has no relevant non-financial relationships to disclose.
Cynthia Green	MS, CCC-SLP	Differential Autism Diagnosis: The Role of an SLP in Evaluating Social Communication Differences	Ms. Green is employed by and receives compensation from Oregon Health & Science University.	Ms. Green has no relevant non-financial relationships to disclose.
Janet Lambert	MS, CCC-SLP	Characters, Clinical Cases and Collaboration: A Panel Discussion with OSHA Icons	Ms. Lambert has no relevant financial relationships to disclose.	Ms. Lambert has no relevant non-financial relationships to disclose.
Amy Costanza-Smith	PhD, CCC-SLP	Characters, Clinical Cases and Collaboration: A Panel Discussion with OSHA Icons	Dr. Costanza-Smith has no relevant financial relationships to disclose.	Dr. Costanza-Smith has no relevant non-financial relationships to disclose.
Kristin H. Mangan	MA, CCC-SLP	What's the Big Deal About Feeding? An Interdisciplinary Approach Towards Improvement	Ms. Mangan has no relevant financial relationships to disclose.	Ms. Mangan has no relevant non-financial relationships to disclose.
Erin Cochran	MA, OTR-L	What's the Big Deal About Feeding? An Interdisciplinary Approach Towards Improvement	Ms. Cochran has no relevant financial relationships to disclose.	Ms. Cochran has no relevant non-financial relationships to disclose.
Sarah Sahl	RDN, LD	What's the Big Deal About Feeding? An Interdisciplinary Approach Towards Improvement	Ms. Sahl has no relevant financial relationships to disclose.	Ms. Sahl has no relevant non-financial relationships to disclose.
Kevin Senn	MD	What's the Big Deal About Feeding? An Interdisciplinary Approach Towards Improvement	Dr. Senn has no relevant financial relationships to disclose.	Dr. Senn has no relevant non-financial relationships to disclose.
Darren Janzen	PsyD	What's the Big Deal About Feeding? An Interdisciplinary Approach Towards Improvement	Dr. Janzen has no relevant financial relationships to disclose.	Dr. Janzen has no relevant non-financial relationships to disclose.
Cassie Quinn	MS, CCC-SLP, BCS-S	The Future of Supervision: ASHA Requirements, Best Practice, and Tools for Success	Ms. Quinn has no relevant financial relationships to disclose.	Ms. Quinn has no relevant non-financial relationships to disclose.
Caitlin Fitzgerald	MS, CCC-SLP	The Future of Supervision: ASHA Requirements, Best Practice, and Tools for Success	Ms. Fitzgerald has no relevant financial relationships to disclose.	Ms. Fitzgerald has no relevant non-financial relationships to disclose.
Elise Peltier	MS, CCC-SLP	The Future of Supervision: ASHA Requirements, Best Practice, and Tools for Success	Ms. Peltier has no relevant financial relationships to disclose.	Ms. Peltier has no relevant non-financial relationships to disclose.
Eileen Crowe	MS	Support Personnel: Training, Trends, Regulation, and Supervision	Ms. Crowe is employed by and will receive compensation from the American Speech-Language and Hearing Association	Ms. Crowe has no relevant non-financial relationships to disclose.
Heidi Iwashita	MS, CCC-SLP	Accomplishing More Together: Collaborative Approaches for Treating Social Communication Challenges After Acquired Brain Injury	Ms. Iwashita has no relevant financial relationships to disclose.	Ms. Iwashita has no relevant non-financial relationships to disclose.
McKay Moore Sohlberg	PhD, CCC-SLP	Accomplishing More Together: Collaborative Approaches for Treating Social Communication Challenges After Acquired Brain Injury	Dr. Sohlberg has no relevant financial relationships to disclose.	Dr. Sohlberg has no relevant non-financial relationships to disclose.
Kristin H. Mangan	MA, CCC-SLP	Treating the Whole Person: Ideas for Stuttering Treatment with Children and Teens	Ms. Mangan has no relevant financial relationships to disclose.	Ms. Mangan has no relevant non-financial relationships to disclose.
Sarah Herr-Davies	MS, CCC-SLP	Treating the Whole Person: Ideas for Stuttering Treatment with Children and Teens	Ms. Herr-Davies has no relevant financial relationships to disclose.	Ms. Herr-Davies has no relevant non-financial relationships to disclose.
Emily D. Quinn	MS, CCC-SLP	Improving Intervention for Individuals with Complex Communication Needs using an Online Community of Practice	Ms. Quinn is employed by and receives compensation from Oregon Health & Science University.	Ms. Quinn has no relevant non-financial relationships to disclose.
Alexandria Cook	BS	Improving Intervention for Individuals with Complex Communication Needs using an Online Community of Practice	Ms. Cook is employed by and receives compensation from Oregon Health & Science University and is a recipient of a grant from the Oregon Department of Education.	Ms. Cook has no relevant non-financial relationships to disclose.

Financial Disclosures
2018 OSHA Conference

Presenter Name	Title	Session Title	Financial	Non Financial
Kristi Atkins	MS, CCC-SLP	Improving Intervention for Individuals with Complex Communication Needs using an Online Community of Practice	Ms. Atkins is employed by and receives compensation from Oregon Health & Science University and is a receipt of a grant from the Oregon Department of Education.	Ms. Atkins has no relevant non-financial relationships to disclose.
Heather Moore	PhD, CCC-SIP	SLPs, Special Educators, and BCBA's: Working Together to Improve Outcomes for Children with Autism Spectrum Disorder	Dr. Moore has no relevant financial relationships to disclose.	Dr. Moore has no relevant non-financial relationships to disclose.
Megan Kunze	MA, BCBA	SLPs, Special Educators, and BCBA's: Working Together to Improve Outcomes for Children with Autism Spectrum Disorder	Ms. Kunze has no relevant financial relationships to disclose.	Ms. Kunze has no relevant non-financial relationships to disclose.
Kerry Callahan Mandulak	PhD, CCC-SLP	Foundations of Assessment Techniques in Children with Repaired Cleft Palate / Craniofacial Conditions	Dr. Mandulak is employed by and receives compensation from Pacific University and speechtherapypd.com.	Dr. Mandulak had disclosed two relevant non-financial relationships with SIG 5 CC and Smile Oregon.
Kameron Beaulieu	MS, CCC-SLP	Foundations of Assessment Techniques in Children with Repaired Cleft Palate / Craniofacial Conditions	Ms. Beaulieu is employed by and receives compensation from Oregon Health & Science University.	Ms. Beaulieu has no relevant non-financial relationships to disclose.
Janet Brockman	MS, CCC-SLP	Foundations of Assessment Techniques in Children with Repaired Cleft Palate / Craniofacial Conditions	Ms. Brockman is employed by and receives compensation from Oregon Health & Science University.	Ms. Brockman has no relevant non-financial relationships to disclose.
Hannah Sanford-Keller	MS, CCC-SLP	Foundations of Assessment Techniques in Children with Repaired Cleft Palate / Craniofacial Conditions	Ms. Sanford-Keller is employed by and receives compensation from Oregon Health & Science University.	Ms. Sanford-Keller has volunteered for and donated to FACES Foundation.
Kameron Beaulieu	MS, CCC-SLP	Treatment Strategies for Children with Complex Cleft and Craniofacial Differences	Ms. Beaulieu is employed by and receives compensation from Oregon Health & Science University.	Ms. Beaulieu has no relevant non-financial relationships to disclose.
Janet Brockman	MS, CCC-SLP	Treatment Strategies for Children with Complex Cleft and Craniofacial Differences	Ms. Brockman is employed by and receives compensation from Oregon Health & Science University.	Ms. Brockman has no relevant non-financial relationships to disclose.
Kerry Callahan Mandulak	PhD, CCC-SLP	Treatment Strategies for Children with Complex Cleft and Craniofacial Differences	Dr. Mandulak is employed by and receives compensation from Pacific University and speechtherapypd.com.	Dr. Mandulak had disclosed two relevant non-financial relationships with SIG 5 CC and Smile Oregon.
Hannah Sanford-Keller	MS, CCC-SLP	Treatment Strategies for Children with Complex Cleft and Craniofacial Differences	Ms. Sanford-Keller is employed by and receives compensation from Oregon Health & Science University.	Ms. Sanford-Keller has volunteered for and donated to FACES Foundation.
Emma Brooks	BS	Graduate Preparatory Training for Adult and Pediatric Medical Speech-Language Pathology: A National Survey	Ms. Brooks has no relevant financial relationships to disclose.	Ms. Brooks is a graduate student at Portland State University.
Olivia Noceda	BA	Graduate Preparatory Training for Adult and Pediatric Medical Speech-Language Pathology: A National Survey		
Deanna Britton	PhD, CCC-SLP, BC-ANCD	Graduate Preparatory Training for Adult and Pediatric Medical Speech-Language Pathology: A National Survey	Dr. Britton has a financial relationship with Medbridge Education, Plural Publishing, and Pro-ed, Inc.	Dr. Britton has no relevant non-financial relationships to disclose.
Shannon Theis	PhD, CCC-SLP	Graduate Preparatory Training for Adult and Pediatric Medical Speech-Language Pathology: A National Survey	Dr. Theis has no relevant financial relationships to disclose.	Dr. Theis has no relevant non-financial relationships to disclose.
Donna Graville	PhD, CCC-SLP	Graduate Preparatory Training for Adult and Pediatric Medical Speech-Language Pathology: A National Survey	Dr. Graville has no relevant financial relationships to disclose.	Dr. Graville has no relevant non-financial relationships to disclose.
Claudia Meyer	MS, CCC-SLP	Graduate Preparatory Training for Adult and Pediatric Medical Speech-Language Pathology: A National Survey	Ms. Meyer is employed by and receives compensation from Portland State University.	Ms. Meyer is a member of the Oregon Speech-Language and Hearing Association Board of Directors.
Cassie Quinn	MS, CCC-SLP, BCS-S	Graduate Preparatory Training for Adult and Pediatric Medical Speech-Language Pathology: A National Survey	Ms. Quinn has no relevant financial relationships to disclose.	Ms. Quinn has no relevant non-financial relationships to disclose.
Laurie Ehlhardt-Powell	PhD, CCC-SLP	Using Technology to Support Problem-Solving Skills Following Brain Injury: Pilot Research and Practical Tools	Dr. Ehlhardt-Powell is employed by, receives compensation from, and is the receipt of a grant from Center on Brain Injury Research and Training at the University of Oregon.	Dr. Ehlhardt-Powell has no relevant non-financial relationships to disclose.
Jessica L. Fanning	PhD, CCC-SLP	Cluttering Across the Lifespan: Overview of Assessment and Treatment	Dr. Fanning will receive an honorarium for speaking at the 2018 OSHA Conference.	Dr. Fanning has no relevant non-financial relationships to disclose.
Susan Ginley	MA, CCC-SLP	Counseling as Collaboration	Ms. Ginley is employed by and receives compensation from Portland State University.	Ms. Ginley is a member of the Oregon Speech-Language and Hearing Association Board of Directors.
Teresa Roberts	MS, CCC-SLP	Cultural Considerations in Narrative Intervention	Ms. Roberts has no relevant financial relationships to disclose.	Ms. Roberts has no relevant non-financial relationships to disclose.
Jennifer Larsen	PhD, CCC-SLP	Cultural Considerations in Narrative Intervention	Dr. Larsen has no relevant financial relationships to disclose.	Dr. Larsen has no relevant non-financial relationships to disclose.
Nickolas Laurich		Cultural Considerations in Narrative Intervention	Mr. Laurich has no relevant financial relationships to disclose.	Mr. Laurich has no relevant non-financial relationships to disclose.
